STAT	MEMORANDUM FOR: Director of Security FROM: Deputy Director of Personnel for Special Programs SUBJECT: Special Security Orientation by	STAT
· · · · ·	1. I wish to express my sincere appreciation to Chief, Security Education Group, for the excellent special security orientation he conducted at our request in behalf of certain employees of the Department of Labor.	STAT
STAT	as contacted on very short notice and requested to present a security orientation to cleared members of the Department of Labor who process and adjudicate Federal Employees' Compensation Act claims for Agency employees. He readily accepted our request and he tailored his presentation to the needs of this special group by the use of slides, film, video-tapes and a lecture. His briefing was both very informative and interesting, and the attendees gained valuable knowledge and an insight into the reasons for the need for secure methods of handling the claims of Agency employees.	
STAT	3. I commend for his enthusiasm, cooperation, and the helpful manner in which he designed his program on short notice to fit the needs of his audience.
